Subject: Greetings from East Colebrook, NH "The Impact of ATVs in our Neighborhood"

Commissioner Stewart,

My wife and I live on a class V road here in East Colebrook. I am forwarding a letter that my neighbor, Tony Palermo III wrote to Representative Wayne Moynihan.

Tony asked that I distribute to responsible people in our New Hampshire Government who have influence on what is taking place up here. Please read it, then feel free to make comments or ask any questions you feel are pertinent to this issue.

If you want to reach to Mr. Palermo he has given me permission to forward you his contact information.

Carpe Diem
Richard Harris (Dick)
