MILAN NH 03588

RE: File # 2019-01426

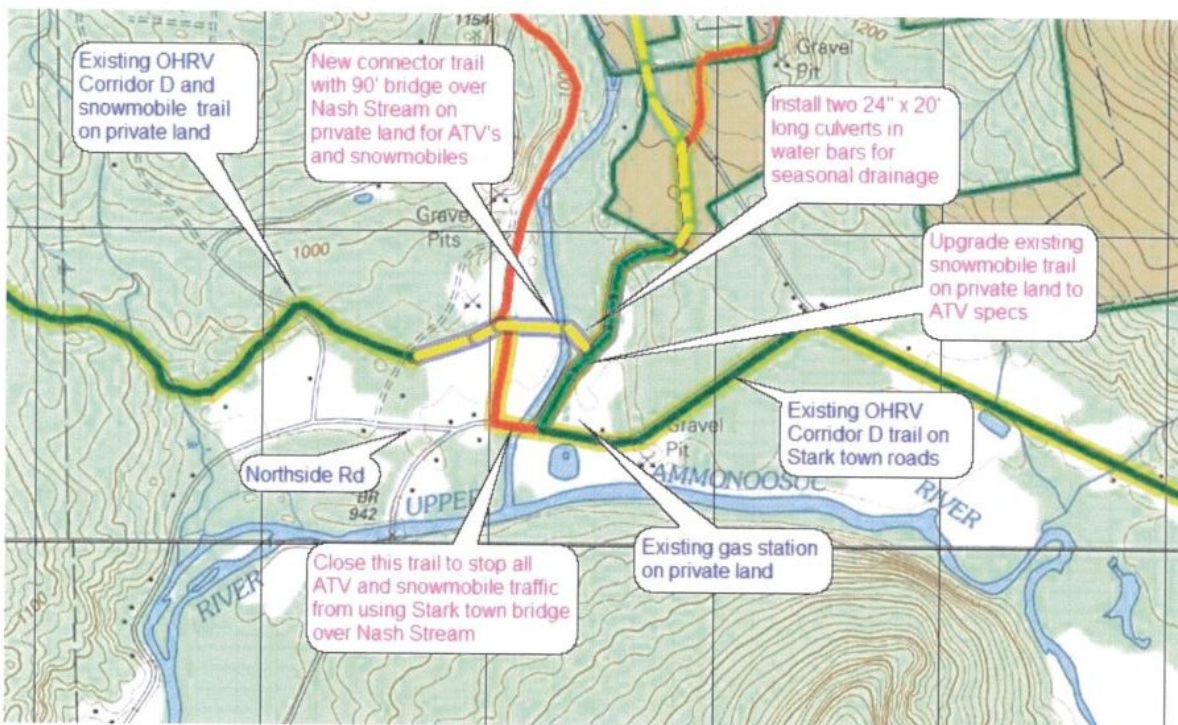

Dear Mr. Gomes:

This is to acknowledge receipt of your *Wetlands Minimum Impact Trails Notification* for work in Stark, Tax Map/Lot #: 408 / 80-05, 91.

YOUR NOTICE IS SUFFICIENT TO START WORK PROVIDED:

You are NOT working in or adjacent to a municipally designated prime wetland, or in a bog, marsh, or undisturbed tidal buffer zone;

1. You are not constructing a trail for current or future development;
2. You follow the Best Management Practices for Erosion Control During Trail Maintenance and Construction (2004) published by the Dept. of Resources & Economic Development;
3. Each wetland crossing involves less than 3,000 square feet of impact;
4. Your proposed trail does not cross any stream 8 or more feet wide [or as allowed by Administrative Rule Env-Wt 303.04(h)].
5. You have avoided wetlands and stream crossings where possible; all crossings have been located to minimize impacts; and all crossings qualify as minimum impact by NHDES Wetlands Bureau rules; and

rs.  
q

New connector trail was not permitted. Upgrading existing snowmobile trail to ATV specs would most likely be considered constructing a new trail, since ATVs do not operate on snow cover.

Photos show area impacted.

An alternative crossing was already permitted by the Town of Stark and in use by ATVs. This is also shown on the map above.
