Hello,

Attached are the maps for Northern and Central Coos as well as Southern Coos and Northern Carroll. I am sending the southern part of your district in a second email due to size.

Subject: RE: 2021 Snowmobile Address Maps and Intersection Spreadsheet

Good morning,

Thanks very much for sending these along. Our district responsibility extends from the Canadian border, south to Lincoln and from Bath/Haverhill town line, east to the Bartlett / Conway Town line. Is there any way we could also get the maps associated with those other locations?

Please call if you have any questions or comments.

Thanks

Phil
