All,

In lieu of hard copies, please see the attached letter from the Department of Transportation (DOT) and the Department of Natural & Cultural Resources (DNCR) regarding portions of the out-of-service state-owned railroad corridor from Columbia Bridge Road in Columbia to Simms Stream to NH Route 26/Bridge Street in Colebrook, for uses other than railroad including hiking, walking, and OHRVs.

Thank you for your patience, persistence, and forthcoming responses,  
Shelley
