Good Morning Members of the Commission to Study the On Road Usage of Non-Traditional Motor Vehicles,

The committee will be convening on the following date:

Tuesday November 17th, 2020 at 1pm

You will receive the Zoom invitation from sender "House Committee Services" on Friday, November 13th in the 9:00 hour.

- \* Do not share the link to these meetings with others, as each link is unique to each individual meeting participant.
  - \* It is suggested you save, flag, or add the invitation to your calendar so it is easy to locate at meeting time.
  - \* This invitation will be resent as needed.
- These are public meetings that can be viewed via Zoom or listened to by telephone.
- \* To avoid background noise and improve efficiency, our protocol requires all members to be muted during the session.
  - \* Members will be recognized to speak by the chair. In remote meetings, members are required to virtually raise a hand before being recognized and unmuted.
  - \* The Zoom webinar will open 20 minutes before the before the start time. This is a great opportunity to enter early and ensure all technical questions are answered and everything is running smoothly.

If possible, please access the meeting using your computer, laptop, or tablet to enhance your virtual experience on the Zoom executive session. Zoom calls via smartphone do not provide the same visual options. You may also call in by telephone if you prefer. Instructions are included in the Zoom invitation.

I have also attached the agenda for the next meeting, a list of relevant bills that were either Inexpedient to Legislate or Laid on the table last session, and the updated meeting minutes which will need to be reviewed and approved by members of the committee at the next meeting.

Please let me know if you plan to phone in, and if so, the telephone number from which you will dial.

If you have additional concerns in advance of the meeting, do not hesitate to contact me directly at [bradley.greenland@leg.state.nh.us](mailto:bradley.greenland@leg.state.nh.us)
