Subject: Blackmount Rail Trail Valuation Plan 21 Maps
Date: Saturday, October 22, 2016 1:55:44 PM

Shelley,

In the late 1990's to early 2000's the Town of Haverhill purchased a section of abandoned Railroad from the state using FHWA funds called TE or Transportation Enhancement Funds. This section of railroad was called the Blackmount Rail Trail.

Currently our ATV club, the Ammonoosuc Valley ATV Club, is exploring the possibility of purchasing all or part of that trail. We understand that NYDOT has Valuation Plan 21 Maps that show the trail and what the town purchased.

Those maps are numbered 118, 119, 120, 121, 125, 126, 127, 128, 129, 130.

As the Town of Haverhill does not seem to have those maps, we would like to obtain copies.

Are they available and what would be the cost of each ?

Thank You,

John E. Bauer

Trail Administrator AVATV Club.
