Subject: Questions about highway crossing solutions for inactive/abandoned railroad/rail trail corridors
Date: Friday, January 27, 2017 3:48:24 PM

Shelley,

Questions about highway crossing solutions for inactive/abandoned railroad/rail trail corridors have come up recently for:

Troy – NH 12 at Cheshire RR (CLD)

North Hampton – US 1 at Hampton Branch RR corridor (Cota) 01/26/2017

Derry – Exit 4A Connector at Manchester and Lawrence RR (Butler) 01/13/2017

Enfield – Main Street at Northern RR (Carucci) 12/27/2016

Haverhill – Mill Street over Blackmount Branch RR (Kleiner) 11/28/16

Thank you, Larry Keniston, Intermodal Facilities Engineer, Rail and Transit Bureau, New Hampshire Department of Transportation, 7 Hazen Drive Concord, New Hampshire, 03302
