Mr. Ward: Try the site address below. If not I can mail you an 11x17 hard copy.

The former Berlin Branch is still considered active from Whitefield to Littleton, but not currently operated. The New Hampshire Central Railroad, PO Box 165, North Stratford, NH 03590-0165, (603) 922-3400 has an operating agreement to operate the active portion of the Berlin Branch and the former Groveton Branch from Whitefield to Groveton and a connection with the St. Lawrence & Atlantic Railroad.

The Berlin Branch from Littleton to Haverhill (Woodsville) is inactive and the rails have been removed.

I will be out of the office Monday, but will be available Tuesday if you have any questions.
