Good morning,

I think reaching out to Fish and Game would be best to have them do it again. I did not patrol that area this year so any enforcement, trail conditions, or crash numbers would be from them anyways.

Hi,

Yes, specifically ATV enforcement. DNCR sends this report to CORD, which is the Council on Resources and Development. It is a requirement of the Pilot Trail at Kelsey Notch. I'll look for a previous one.

Thanks,  
Maggie

Hey Maggie,

I'll forward to DJ. Who does this report go to? Is this in regards to ATV enforcement specifically or anything in general?

Thanks,  
Adrian

Hi Adrian,

Each year we have to submit law enforcement reports for Kelsey Notch and West Side (both in Nash). Can you please send to me by November 1, so I can send along.

Let me know if you have questions.

Thanks,

Maggie
