I am waiting to hear back but I may have some afternoon obligations on the 8th. I'm thinking if we start at 8:30 and hustle we may be able to pull it off. I'll put it in my planner .

September 8th works, but I might have to leave a little early. (I'm also available the 6 and 7th not to complicate things) If we can an early start we should be all set though.

John- can you be up here by 9? Or 8:30 even?

Thanks,
Maggie

Maybe not but I can ask. My strong preference is that I be there with our new staff as this will likely become their responsibility in the future. Any reason we can't do this on Sept 6, 7 or 8?

Subject: Kelsey Notch Site Review

As everyone know we are now required to do a site review of Kelsey Notch twice a year. Once mid-summer and in the fall. We are running a little behind but I would like to see if anyone has time the week of August 28th. If you would know what works best for everyone please let me know. The only day right now I'm not available is September 1st.

Thanks
