

**Pemigewasset River Local Advisory  
Committee**

**Date: Tuesday, July 25, 2017 Time:  
7:00 PM**

**Location: Pease Public Library -**

**PRLAC Agenda - July 25, 2017**

7:00-7:05 Minutes Review and approve minutes from June 27, 2017 meeting.

7:05-7:10 Expression of thanks to David Toth and Alan Cilley of Ashland Water and Sewer and Nobis Engineering for their participation in our last meeting

7:10-7:40 Tracy Tarr, Senior Project Manager from GZA GeoEnvironmental, Inc. to present an overview of an upcoming project. GZA is preparing to submit a state wetlands permit application for the L176 Transmission Line Rebuild Project in Franklin, Tilton, Belmont, and Laconia. This project proposes to replace and construct transmission line structures within an existing Eversource ROW. The project is designed to maintain an existing transmission line, and does not propose to expand the existing ROW or add new utility lines to the ROW.

7:40-7:50 Permit Application Reviews

1. Submission of comments to DES regarding DOT Dredge and Fill application to replace a failed culvert that carries storm runoff from a drainage ditch running along the west side of Daniel Webster Highway
2. Plymouth Water and Sewer project

7:50-8:00 Water Testing Status

1. 7/11 test run of "North" sites and 7/15 "Southern" sites
2. Schedule review and PSU contact

8:00-8:15 Open Issues

1. Updated Bylaws review
2. Open Secretary position
3. Second New Hampton PRLAC representative

8:15-8:45 Northern Pass update

8:45- Other

1. Member input...

**Adjourn**
