Attorney Puffer,

My name is Stacy Bull, I am assisting in coordinating Right to Know responses on behalf of the NHDOT. In follow-up to your telephone conversation with Richard Arcand, please know that we are continuing our search efforts for documents that are responsive to your request. A letter has been previously sent to you notifying you that we will need an additional 30 days to respond.

In the meantime, documents that were quickly available to us are attached to this email as follows:

1. Letter dated May 29, 2009 from Louis Barker of NHDOT to Eileen Cabanel of the City of Laconia. Included with that letter is a copy of the Rail-Trail Agreement between the State of NH and the City of Laconia.
2. Amendment to Agreement signed by the Attorney General's office on June 12, 2017.
3. Letter dated November 7, 2017 from Patrick Herlihy, Director of Aeronautics, Rail and Transit to Mayor Engler.
4. Operating Agreement on the State-Owned Portion of the Concord to Lincoln Railroad Line between the State of NHDOT and New England Southern Railroad Corporation, Goffstown, NH dated April 19, 2012. (16 pages)
5. Passenger Excursion Agreement on the Concord to Lincoln Railroad Line between Northfield and Lincoln, State of NHDOT and Plymouth and Lincoln Railroad Corporation dated May 4, 2011. (22 pages).

Readily available documents may be sent to you before the estimated completion date and we will continue to send them by email. Sometimes they are too voluminous to send that way but that is the most productive process.

Thank you.
