Hi Earl:

It was a pleasure meeting with you today to discuss the proposed Lizzie's Station. Thanks for being a great listener and understanding our concerns about impacts to this unique alpine habitat.

We look forward to hearing back from you as more details become available.

Best regards,

Patrick

Hi folks,

Thank you for being available to meet today regarding the Cog railway and Datacheck letter NHB22-1571. Unfortunately, I am not be able to join you all in person. My daughter and I have symptoms of Covid and we were recently exposed to someone who tested positive for Covid, therefore we are isolating per guidance.

I apologize that I am not able to be there, however NHB's Pete Bowman has extensive knowledge of the area and will be able to answer any questions about this unique and special area.

Thank you,  
Sabrina
