Subject: RE: Town of Colebrook Railroad Corridor Letter of Support

Thank you for submission of the Town of Colebrook's response. The Department of Transportation (DOT) will defer to the Department of Natural & Cultural Resources (DNCR) to identify the appropriate lead within their agency who will work with the Towns on next steps as outlined in the DOT-DNCR joint letter. As required and outlined in the joint letter, DOT staff will work with DNCR's lead to help shepherd the process along as has been done in the past for other similar projects.

To ensure that all parties have copies of the pertinent formal communications on this issue I have attached the joint DOT-DNCR letter and the response letters from both the Town of Columbia and the Town of Colebrook.

Thank you, all,
Shelley

Good Afternoon.

Attached please find a letter from the Town of Colebrook Selectboard in support of the NH Bureau of Trails proposal for use of an out-of-service state owned railroad corridor in Coos County.

Thank you.

Christine Charman
Assistant to the Town Manager
Colebrook, NH
