Sorry this took me so long I lost the paper I put your contact info on and just found it. Per our conversation regarding Northern Trails Lodging crossing Rte 3. Northern Trails Lodging is allowing its customers to cross Rte 3 when there is not a legal crossing there. It is both Atvs and Snowmobiles. The Atvers cross over go into Spruce Cones Campground and up into the Tarns which is a private road. We have gone into court and we won a ruling that no commerical traffic is allowed. We are trying to stop these people from accessing our roads on Atvs, snowmobiles are not an issue as there is a trail they can access. We are hoping you may be able to assist with this issue and stop the illegal crossing. Thank you Kim Meikle
