**Subject:** Jimtown Road Sign Request

Hello, I am a resident of Gorham NH, I own a home off of Jimtown Road. It was brought to my attention that I can request to have the shared route/OHRV signs taken down from Jimtown Road in Gorham NH. Jimtown Road does not connect to any OHRV trails directly. The signs cause confusion and should be removed. Thank you for the attention to this matter. Feel free to contact me for more information or clarification.
