Leszek Stachow, Assistant Director, Electric Division
Brian Buckley, Staff Attorney, Legal Division

CC: Randall Knepper, Director - Safety Division

The Safety Division's review of the above Staff Recommendation dated July 31, 2020 identified the following that needs revising.

Reference Attachment F, an incorrect map was used. See the revised Attachment F below.

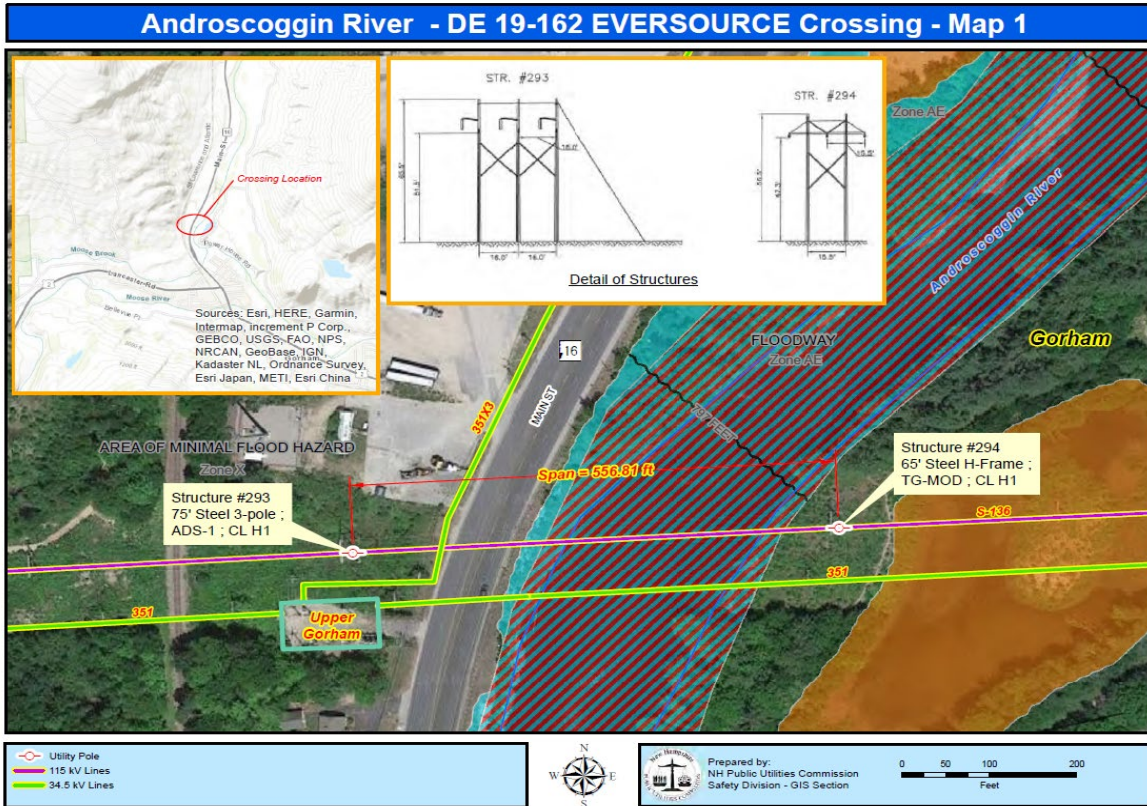

Figure 2: 115kV line, designated as the S 136 Transmission Line, is a span of approximately 557 feet between structures # 293 and # 294, across the Androscoggin River in the Town of Gorham, NH. Of which 243.5 feet crosses the public water way.
