Thank you Brian

We get the work done up on the bridges. This snow may not stay, but with it snowing out my office window, it reminded me that we would like to get an answer about the bridge we looked at last week for this winter

Thanks

Chris

Mike,

I thought I sent this quote to you Friday afternoon, but there is nothing in your folder or 'sent', so here it is.

We do not have nearly enough 4x6-12 to cover this order. I can get about half by the end of the week.

Remainder probably a week after that. Same with GRK Screws.

Let me know.
