Mr. Scott, I apologize for sending an incomplete email. I believe you were copied on the full complaint. Is it accurate:

DES and the New Hampshire Attorney General have allowed Eversource to sign the AoT permits for its 70+ transmission line rebuilds as "owner" or agent of the land on which it has easements.

DES, the New Hampshire Attorney General and Eversource willfully excluded transmission easement-encumbered landowners from the AoT permitting process, in violation of DES's own rules.
