I request that the X-178 (#2024-00468 and #2024-00475), Y-170 (#2024-00447) and G-146 (#2024-00515) records be kept open until DES/Eversource has notified all easement-encumbered landowners about these hearings,

informed these landowners that DES regulations require landowner's signatures on AoT applications,

sent these landowners the AoT applications for the Eversource projects on their property,

obtained the required signatures, or refusals to sign, from these landowners, for work on their property,

or,

provided them with a legal memo explaining why DES has accepted AoT applications for work on their land without informing them about this work, without providing them with a copy of the AoT application, and with Eversource signing as the owner of their property.
