Re: Docket No. 2024-02
Petition Requesting Jurisdiction and Oversight of
Eversource Proposed X-178 Transmission Line Replacement Project

Dear Chairman Goldner:

As noted by your Order of October 1, 2024 in the above-captioned proceeding, denying our request for intervention along with that of the Maine Office of the Public Advocate, the Site Evaluation Committee conducted a public hearing on September 23, 2024 to consider the two requests. Upon inquiry, we learned that the Site Evaluation Committee does not know when a transcript of the hearing will be available. Therefore, pursuant to the relevant provisions of RSA 91-A, the Office of the Consumer Advocate requests a copy of the audio recording of the October 1 hearing.

Thank you for your prompt attention to our request.

Sincerely,

A handwritten signature in blue ink, appearing to read "DKreis".
